

Before Your Rental

Plan on arriving to your rental 20-25 minutes prior to your scheduled start time. This will give you enough time to:

- Find parking (*see diagram below*)
- Pay for parking (*All Day = \$10*)
- Gather passengers* & belongings** at the dock

*for passengers under the age of 10, please bring a properly fitting life vest.

**keep boat capacity limits in mind when bringing larger belongings (i.e. coolers)
